The Parish Councils of Ord, Norham, Horncliffe, Shoreswood, Duddo, Ancroft, Kyloe and Holy Island are jointly starting work on the preparation of a Neighbourhood Plan for the area.

Neighbourhood Plans are prepared by the local community, and, once made, become part of the the statutory development plan for the area. Our Neighbourhood Plan will guide development over the next 15 years up to the year 2032

We are interested in your views on how our area should develop into the future.

What special places should be protected? ?

What type of development do we want to see in the future? ?

How much? Where? What should it look like? ?

What kind of houses should we build? ?

Do we need more space for businesses? ?
